LIE-RIN'S WAY OF THE MANGA 10

My best memory of meeting the editor for the first time was how I was able to take a look at a real draft of an author who had a series in the magazine back then. It was so beautiful!! "Do you have to be so detailed with the backgrounds?!" "I love these effects!!" "How can you draw the reflection of light in the eyes and hair so beautifully?!" It really was an eye-opener for me!! My confidence and pride just got flushed away and I felt really embarrassed of myself. The images I saw in the magazine and the real thing were totally different. It was ten times as beautiful, no, even more beautiful than that!!

THIS IS SO GREAT!
I'M GOING TO DO MY BEST!!
GOOD NIGHT!
